

Felling Male Voice Choir

Hedgefield,
111, New Ridley Road,
Stocksfield,
Northumberland
NE43 7EH
07753 950462

June 2011

Felling Male Voice Choir is well known nationally and, as one of the longest standing music organisations in the North East of England, is celebrating its 91st anniversary this year.

The choir's Music Team comprises Director of Music Shaun Turnbull aided by Assistant Director of Music Colin Short; accompanists Linda Craig and Chris Potts and associate Charlotte Butler. However after many years service as Assistant DoM Colin Short is ready to stand down and return to enjoying his singing in the Tenor Section.

In view of this we wish to **appoint a new Assistant Director of Music** to work with Shaun and the accompanists to further develop Felling MVC as a modern, successful and high quality choir. Our new ADoM will be a skilled musician who is equally at home on the concert platform and in the rehearsal room; someone who will help build on, develop and extend the range and depth of choral presentations. This post would suit someone who is already musically qualified and is seeking further experience by working with a large choir

The role of Assistant DoM with Felling MVC is an honorary one for which modest expenses are available.

The choir meets every Friday evening from 7-00 to 9-30 for rehearsal taking a short break at Christmas. Occasionally there are additional rehearsals for special events, [ie competitions, celebrity concerts, recordings]. FMVC performs in about 15 concerts a year in addition to some competition work, recordings and concert visits to other choirs in the UK and abroad.

If you are interested in joining this great choir as our Assistant DoM please send me your CV with an accompanying letter; e-mail is fine.

Stuart Dearlove
Chair of Felling Male Voice Choir
