Founded 1920

The Felling Male Voice Choir

Three posts;

1. Director of Music
2. Accompanist
3. Associate Director of Music

Now in its 90th year the Felling Male Voice Choir is established as an important part of the musical life and cultural landscape of the North East and beyond. With more than 70 members the choir presents an average of 15 concerts each year as well as participating in competitions and exchanges with other choirs.

The members of this famous and successful choir wish to appoint a new **Director of Music** to lead and inspire them. If you are an established musician with experience of leading choral work we would like to hear from you.

The members would also like to appoint a well qualified and skilled **Accompanist** who is equally at home in the rehearsal room and on stage. The positions of Director of Music to the choir and Accompanist are honorary ones for which an honorarium is granted.

In addition to the above posts the members of the choir would like to appoint an **Associate Director of Music** to the music team to work with the Director of Music and Deputy to develop and extend the range and depth of choral presentations. This post would suit someone who is already musically qualified and seeks experience in working with a large choir.

If you think you have the talent and enthusiasm we are looking for please send a letter of application and CV to the Chair, Stuart Dearlove at stuart.dearlove@fmvc.org or call 07753950462 for an informal discussion.

Please respond by Friday 10th July 2009.

Visit the website at www.fmvc.org for more information about the choir.
